## **U.S. Army Corps of Engineers will waive day use fees on National Public Lands Day**

**Albuquerque, NM...** The U.S. Army Corps of Engineers will join other federal agencies in waiving day use fees at its recreation areas nationwide on September 20. This date coincides with the celebration of National Public Lands Day.

Sites within the Albuquerque District include Abiquiu, Cochiti, and Conchas Lakes, which are all hosting volunteer events on that day. Recreation areas at Conchas Lake are managed by New Mexico State Parks, which is also offering free camping at sites there for the weekend.

In waiving day use fees, the Corps encourages all Americans to take part in National Public Lands Day activities and enjoy our Nation's public lands and waters.
