*Dedication ceremony for La Cienega Acequia set for April 5*

**ALBUQUERQUE, N.M.** --- U.S. Sen. Pete Domenici will give the welcome address for a dedication ceremony to commemorate the completion of La Cienega Acequia on Friday, April 5, 10 a.m. at the La Cienga Community Center. The center is located at 126 Camino San Jose next to the fire station in La Cienga.

Following the Senator's remarks, refreshments will be served. At 11 a.m., the Corps will conduct a tour of the project, which is located about one half mile from the Community Center.

The \$300,000 project consists of an earthen embankment and a drainage pond and will serve the community of La Cienga. The project was designed and built by the U.S. Army Corps of Engineers, Albuquerque District and was cost-shared by the Corps, La Cienega Acequia Association and the Interstate Stream Commission.

Construction of the project began in August 2001 and was completed in November 2001.
