

CUSTOMS AND BORDER PROTECTION DEPARTMENT OF HOMELAND SECURITY

The U.S. Army Corps of Engineers Albuquerque District has provided support to the Department of Homeland Security since 1997. In that period, the District has provided design and construction management services for the U.S. Border Patrol, Immigration and Customs Inspection and the Office of Air and Marine Operations.

Currently, the District's support of the Department of Homeland Security in design and construction services is coordinated through the Engineering and Construction Support Office (ECSO) through the Fort Worth District, Corps of Engineers. The following is a list of the projects, recently completed or underway:

Border Patrol Station One
El Paso, Texas
Completed 2009

Border Fence
