

Notice of Availability
Amended Environmental Assessment for the
Black Mesa Stormwater Drainage Improvement Project, Bernalillo County, New Mexico

The U.S. Army Corps of Engineers (Corps), Albuquerque District, has released the “**Amended Environmental Assessment (EA) and Finding of No Significant Impact (FONSI) for the Black Mesa Stormwater Drainage Improvement Project, Bernalillo County, New Mexico**”. The Amended EA includes work proposed under the original EA and an additional alignment of the stormwater pipe from Isleta Boulevard to the Rio Grande Bosque. The duration of the proposed construction would be nine months and is expected to start in the spring of 2008.

A copy of the final EA/FONSI is available on the Corps web site at <http://www.spa.usace.army.mil> (click on FONSI/Environmental Assessments). Hard copies of the documents may also be requested from the Corps by contacting Ondrea Hummel at Ondrea.C.Hummel@usace.army.mil or (505) 342-3375.
