Amended Environmental Assessment for the
City of Grants Wastewater Treatment Plant and Main Lift Station Improvements
City of Grants, Cibola County, New Mexico

The U.S. Army Corps of Engineers (Corps), Albuquerque District, has released the “**Amended Environmental Assessment (EA) and Finding of No Significant Impact (FONSI) for the City of Grants Wastewater Treatment Plant and Main Lift Station Improvements, City of Grants, Cibola County, New Mexico**”. The Amended EA includes work proposed under the original EA to retrofit an existing sewer lift station and wastewater treatment plant facility. The duration of the proposed construction would be six months and is expected to start in the spring of 2008.

A copy of the EA/FONSI is available on the Corps web site at <http://www.spa.usace.army.mil> (click on FONSI/Environmental Assessments). Hard copies of the documents may also be requested from the Corps by contacting Michael Porter at Michael.D.Porter@usace.army.mil or (505) 342-3264.
