LANDSDAY

Volunteers needed for National Public Lands Day - Cochiti Lake

Cochiti, N.M. -- The U.S. Army Corps of Engineers at Cochiti Lake seeks volunteers in support of the National Public Lands Day celebration, which takes place at the Cochiti Lake Visitor Center parking lot at 9:00 a.m. Saturday, September 26.

From 9:00 a.m. to noon, volunteers will assist lake staff with trail rehabilitation.

Volunteers will then get to enjoy lunch, use of all day use facilities, boat ramps, and camping at no cost.

National Public Lands Day is an opportunity for the public to give back to the very land they use for things like camping, hunting, fishing, biking, hiking, bird watching, or sight-seeing by improving it for future use.

The Cochiti Lake Visitor Center is located between Santa Fe and Albuquerque via Hwy 22. Turn right onto Dam Crest Rd and immediately turn right into the Cochiti Lake Visitor Center parking lot.

For details on how you or your organization can help, call the Cochiti Project Office at 505-465-0307.
