Request for a Clean Water Act (CWA) Section 401 Water Quality Certification

Please provide the following information to request a CWA Section 401 Water Quality Certification:

Applicant _____

Address _____

City, State, Zip _____

Applicant Contact (phone, fax, email) _____

Agent (if applicable) _____

Address _____

City, State, Zip _____

Agent Contact (phone, fax, email) _____

Project Name _____

Project Description _____

County _____

Affected Waterbody(ies) _____

The Colorado Water Quality Control Division (WQCD) requires the following items in order to process a CWA Section 401 Water Quality Certification:

___ Copy of U.S. Army Corps of Engineers 404 Permit Application

___ Site map of proposed project (if not included in 404 Permit Application)

___ List or narrative of Best Management Practices (BMPs): This includes construction BMPs and long-term BMPs, if applicable, associated with the proposed project. More information on BMPs is available from the WQCD.

Additional information, including the Colorado 401 Certification Regulation can be found on the internet at www.cdphe.state.co.us/op/wqcc/wqcchom.asp. For further information regarding the 401 Certification process, including the WQCD's BMP guidance, please contact Aimee Majewski (aimee.majewski@state.co.us, (303) 692-3530) or Andrew Ross (andrew.ross@state.co.us, (303) 692-3540) at the Colorado Water Quality Control Division.
