The Non-Federal Sponsor shall not issue the solicitation for the first construction contract for the *Project* or commence construction of the *Project* using the Non-Federal Sponsor's own forces until all applicable environmental laws and regulations have been complied with, including, but not limited to NEPA and Section 401 of the Federal Water Pollution Control Act (33 U.S.C. 1341).

3. The Non-Federal Sponsor shall obtain all permits and licenses necessary for the design and construction of the *Project* and, in the exercise of its rights and obligations under this Agreement, shall comply with all applicable Federal, state, and local laws, regulations, ordinances, and policies including the laws and regulations specified in Article XI of this Agreement. As necessary to ensure compliance with such laws, regulations, ordinances, and policies, the Non-Federal Sponsor shall include appropriate provisions in its contracts for the design and construction of the *Project*.

4. The Non-Federal Sponsor shall afford the Government the opportunity to review and comment on the solicitations for all contracts for the *Project*, including relevant plans and specifications, prior to the Non-Federal Sponsor's issuance of such solicitations. To the extent possible, the Non-Federal Sponsor shall afford the Government the opportunity to review and comment on all proposed contract modifications, including change orders. In any instance where providing the Government with notification of a contract modification is not possible prior to execution of the contract modification, the Non-Federal Sponsor shall provide such notification in writing at the earliest date possible. To the extent possible, the Non-Federal Sponsor also shall afford the Government the opportunity to review and comment on all contract claims prior to resolution thereof. The Non-Federal Sponsor shall consider in good faith the comments of the Government, but the contents of solicitations, award of contracts or commencement of design or construction using the Non-Federal Sponsor's own forces, execution of contract modifications, resolution of contract claims, and performance of all work on the *Project* shall be exclusively within the control of the Non-Federal Sponsor.

D. The Government shall reimburse the Non-Federal Sponsor, in accordance with Article VI.B. of this Agreement, the amount necessary so that the Federal contribution towards *total project costs* equals 75 percent; however, any reimbursement by the Government is subject to the availability of funds and is limited by the *Section 595 Program Limit*.

E. Notwithstanding any other provision of this Agreement, Federal financial participation in the *Project* is limited by the following provisions of this paragraph.

1. As of the effective date of this Agreement, \$1,000,000 of Federal funds have been provided by the Congress of the United States (hereinafter the "Congress") for the Section 595 Program in New Mexico of which \$1,000,000 is currently projected to be available for the *Project*. Further, the Government's financial participation in the *Project* is limited to the Federal funds that the Government makes available to the *Project*.

2. In the event the Government projects that the amount of Federal funds the Government will make available to the *Project* through the then-current *fiscal year*, or the amount of Federal funds the Government will make available for the *Project* through the upcoming *fiscal year*, is not sufficient to meet the Federal share of *total project costs* and the Federal share of costs for data recovery activities in accordance with Article XVII.D. and Article XVII.E. of this Agreement that the Government projects to be incurred through the then-current or upcoming *fiscal year*, as applicable, the Government shall notify the Non-Federal Sponsor in writing of such insufficiency of funds and of the date the Government projects that the Federal funds that will have been made available to the *Project* will be exhausted. Upon the exhaustion of Federal funds made available by the Government to the *Project*, the Government's future performance under this Agreement shall be suspended and the parties shall proceed in accordance with Article XIII.B. of this Agreement. However, if the Government cannot make available sufficient Federal funds to meet the Federal share of *total project costs* in the then-current *fiscal year* solely due to the *Section 102 Limit*, only the Government's future performance related to reimbursement pursuant to paragraph D. of this Article shall be suspended.

3. If the Government determines that the total amount of Federal funds provided by Congress for the Section 595 Program in New Mexico has reached the *Section 595 Program Limit*, and the Government projects that the Federal funds the Government will make available to the *Project* within the *Section 595 Program Limit* will not be sufficient to meet the Federal share of *total project costs* and the Federal share of costs for data recovery activities in accordance with Article XVII.D. and Article XVII.E. of this Agreement, the Government shall notify the Non-Federal Sponsor in writing of such insufficiency of funds and of the date the Government projects that the Federal funds that will have been made available to the *Project* will be exhausted. Upon the exhaustion of Federal funds made available by the Government to the *Project* within the *Section 595 Program Limit*, the parties shall terminate this Agreement and

or rights-of-way or to perform *relocations* for the *Project* on behalf of the Non-Federal Sponsor. Such requests shall be in writing and shall describe the services requested to be performed or provided. If in its sole discretion the Government elects to perform or provide the requested services or any portion thereof, it shall so notify the Non-Federal Sponsor in a writing that sets forth any applicable terms and conditions, which must be consistent with this Agreement. In the event of conflict between such a writing and this Agreement, this Agreement shall control. The Non-Federal Sponsor shall be solely responsible for all costs of the services performed or provided by the Government under this paragraph and shall pay all such costs in accordance with Article VI.D. of this Agreement. Notwithstanding the acquisition of lands, easements, or rights-of-way or performance of *relocations* by the Government, the Non-Federal Sponsor shall be responsible, as between the Government and the Non-Federal Sponsor, for any costs of cleanup and response in accordance with Article XIV.C. of this Agreement.

M. In the event that the Non-Federal Sponsor elects to include *betterments* in the design or construction of the *Project* during the *period of design and construction*, the Non-Federal Sponsor shall notify the Government in writing and describe the *betterments* it intends to design and construct. The Non-Federal Sponsor shall be solely responsible for all costs due to *betterments*, including costs associated with obtaining permits therefor, and shall pay all such costs without reimbursement by the Government.

N. The Government shall determine and include in *total project costs* the reasonable costs incurred by the Non-Federal Sponsor for *pre-Agreement design work*, subject to the conditions and limitations of this paragraph, that have not been incurred pursuant to any other agreement for the *Project*. The Non-Federal Sponsor in a timely manner shall provide the Government with such documents as are sufficient to enable the Government to determine the amount of costs to be included in *total project costs* for *pre-Agreement design work*.

1. *Pre-Agreement design work* shall be subject to a review by the Government to verify that the work was accomplished in a satisfactory manner and is necessary for the *Project*.

2. Where the Non-Federal Sponsor's cost for completed *pre-Agreement design work* is expressed as fixed costs plus a percentage of construction costs, the Non-Federal Sponsor shall renegotiate such costs with its Architect-Engineer based on actual costs.

3. The Non-Federal Sponsor's costs for *pre-Agreement design work* that may be eligible for inclusion in *total project costs* shall be subject to an audit in accordance with Article X.C. of this Agreement to determine the reasonableness, allocability and allowability of such costs.

4. The Non-Federal Sponsor's costs for *pre-Agreement design work* that may be eligible for inclusion in *total project costs* pursuant to this paragraph are not subject to interest charges, nor are they subject to adjustment to reflect changes in price levels between the time the *pre-Agreement design work* was completed and the time the costs are included in *total project costs*.

maintenance of the *Project*, including those required for *relocations*, the borrowing of material, or the disposal of dredged or excavated material, and shall inform all affected persons of applicable benefits, policies, and procedures in connection with said Act.

ARTICLE IV - VALUE OF LANDS, EASEMENTS, RIGHTS-OF-WAY, AND RELOCATIONS AND COSTS OF PERMITS

A. The Government shall include in *total project costs* the value of the lands, easements, and rights-of-way that the Non-Federal Sponsor and the Government jointly determine must be provided by the Non-Federal Sponsor pursuant to Article III.A. of this Agreement and the value of the *relocations* that the Non-Federal Sponsor and the Government jointly determine must be performed by the Non-Federal Sponsor or for which it must ensure performance pursuant to Article III.B. of this Agreement. The Government also shall include in *total project costs* the reasonable costs incurred by the Non-Federal Sponsor that are associated with obtaining permits pursuant to Article II.B. of this Agreement that are necessary for construction, operation, and maintenance of the *Project* on publicly owned or controlled lands. However, the Government shall not include in *total project costs* the value of any lands, easements, rights-of-way, or *relocations* that have been provided previously as an item of cooperation for another Federal project. Further, the Government shall not include in *total project costs* the value of lands, easements, rights-of-way, or *relocations* that were acquired or performed using *Federal program funds* or the costs of obtaining permits paid using *Federal program funds* unless the Federal agency providing the Federal portion of such funds verifies in writing that reimbursement for the value and costs of such items is expressly authorized by Federal law. Finally, no value or costs of such items shall be included in *total project costs* pursuant to this Article, and no reimbursement shall be provided to the Non-Federal Sponsor, for any value or costs in excess of 25 percent of *total project costs*.

B. The Non-Federal Sponsor in a timely manner shall provide the Government with such documents as are sufficient to enable the Government to determine the value of any contribution provided pursuant to Article III.A. or Article III.B. of this Agreement and to determine the reasonable costs incurred by the Non-Federal Sponsor that are associated with obtaining permits pursuant to Article II.B. of this Agreement. Upon receipt of such documents, the Government in a timely manner shall determine the value of such contributions and the reasonable costs for obtaining such permits and include in *total project costs* the amount of such value and costs that does not exceed 25 percent of *total project costs*.

C. For the sole purpose of determining the value to be included in *total project costs* in accordance with this Agreement and except as otherwise provided in paragraph E. of this Article, the value of lands, easements, and rights-of-way, including those required for *relocations*, the borrowing of material, and the disposal of dredged or excavated material, shall be the fair market value of the real property interests, plus certain incidental costs of acquiring those interests, as determined in accordance with the provisions of this paragraph.

1. Date of Valuation. The fair market value of lands, easements, or rights-of-way owned by the Non-Federal Sponsor on the effective date of this Agreement shall be the fair market value of such real property interests as of the date the Non-Federal Sponsor awards the

not previously approved by the Government in writing.

a. If the Government previously has approved the appraisal in writing, or if the Government provides written approval of, or takes no action on, the appraisal within such 60 day period, the Non-Federal Sponsor shall use the amount set forth in such appraisal as the estimate of just compensation for the purpose of instituting the eminent domain proceeding.

b. If the Government provides written disapproval of the appraisal, including the reasons for disapproval, within such 60 day period, the Government and the Non-Federal Sponsor shall consult in good faith to promptly resolve the issues or areas of disagreement that are identified in the Government's written disapproval. If, after such good faith consultation, the Government and the Non-Federal Sponsor agree as to an appropriate amount, then the Non-Federal Sponsor shall use that amount as the estimate of just compensation for the purpose of instituting the eminent domain proceeding. If, after such good faith consultation, the Government and the Non-Federal Sponsor cannot agree as to an appropriate amount, then the Non-Federal Sponsor may use the amount set forth in its appraisal as the estimate of just compensation for the purpose of instituting the eminent domain proceeding.

c. For lands, easements, or rights-of-way acquired by eminent domain proceedings instituted in accordance with paragraph C.3. of this Article, fair market value shall be either the amount of the court award for the real property interests taken, to the extent the Non-Federal Sponsor and the Government jointly determined such interests are required for construction, operation, and maintenance of the *Project*, or the amount of any stipulated settlement or portion thereof that the Government approves in writing.

4. Incidental Costs. For lands, easements, or rights-of-way acquired by the Non-Federal Sponsor within a five year period preceding the effective date of this Agreement, or at any time after the effective date of this Agreement, the value of the interest shall include the documented incidental costs of acquiring the interest, as determined by the Government, subject to an audit in accordance with Article X.C. of this Agreement to determine reasonableness, allocability, and allowability of costs. Such incidental costs shall include, but not necessarily be limited to, closing and title costs, appraisal costs, survey costs, attorney's fees, plat maps, mapping costs, actual amounts expended for payment of any relocation assistance benefits provided in accordance with Article III.C. of this Agreement, and other payments by the Non-Federal Sponsor for items that are generally recognized as compensable, and required to be paid, by applicable state law due to the acquisition of a real property interest in accordance with Article III of this Agreement. The value of the interests provided by the Non-Federal Sponsor in accordance with Article III.A. of this Agreement shall also include the documented costs of obtaining appraisals prepared for review by the Government pursuant to paragraph C.2.a. of this Article subject to an audit in accordance with Article X.C. of this Agreement to determine reasonableness, allocability, and allowability of costs.

5. Waiver of Appraisal. Except as required by paragraph C.3. of this Article, the Government may waive the requirement for an appraisal pursuant to this paragraph if it determines that an appraisal is unnecessary because the valuation is uncomplicated and that the estimated fair market value of the real property interest is \$10,000 or less based upon a review of

F. The Government shall include in *total project costs* the reasonable costs incurred by the Non-Federal Sponsor pursuant to Article II.B. of this Agreement that are associated with obtaining permits necessary for construction, operation, and maintenance of the *Project* on publicly owned or controlled lands, subject to an audit in accordance with Article X.C. of this Agreement to determine reasonableness, allocability, and allowability of costs.

ARTICLE V - PROJECT COORDINATION TEAM

A. To provide for consistent and effective communication, the Non-Federal Sponsor and the Government, not later than 30 calendar days after the effective date of this Agreement, shall appoint named senior representatives to a Project Coordination Team. Thereafter, the Project Coordination Team shall meet regularly until the end of the *period of design and construction*. The Government's Project Manager and a counterpart named by the Non-Federal Sponsor shall co-chair the Project Coordination Team.

B. The Government's Project Manager and the Non-Federal Sponsor's counterpart shall keep the Project Coordination Team informed of the progress of design and construction and of significant pending issues and actions, and shall seek the views of the Project Coordination Team on matters that the Project Coordination Team generally oversees.

C. Until the end of the *period of design and construction*, the Project Coordination Team shall generally oversee the *Project*, including matters related to: design; completion of all necessary NEPA coordination; plans and specifications; scheduling; real property and *relocation* requirements; real property acquisition; contract awards and modifications; contract costs; the application of and compliance with 40 U.S.C. 3141-3148 and 40 U.S.C. 3701-3708 (revising, codifying and enacting without substantive change the provisions of the Davis-Bacon Act (formerly 40 U.S.C. 276a *et seq.*), the Contract Work Hours and Safety Standards Act (formerly 40 U.S.C. 327 *et seq.*) and the Copeland Anti-Kickback Act (formerly 40 U.S.C. 276c)) for *relocations* and the construction portion of the *Project*; the investigations to identify the existence and extent of hazardous substances in accordance with Article XIV.A. of this Agreement; historic preservation activities in accordance with Article XVII of this Agreement; the Government's cost projections; final inspection of the entire *Project* or completed portions thereof as the case may be; preparation of the proposed OMR&R Manual; anticipated requirements and needed capabilities for performance of operation, maintenance, repair, rehabilitation, and replacement of the *Project* including issuance of permits; and other matters related to the *Project*. This oversight of the *Project* shall be consistent with a project management plan developed by the Government and the Non-Federal Sponsor.

D. The Project Coordination Team may make recommendations to the Non-Federal Sponsor on matters related to the *Project* that the Project Coordination Team generally oversees, including suggestions to avoid potential sources of dispute. The Non-Federal Sponsor in good faith shall consider the recommendations of the Project Coordination Team. The Non-Federal Sponsor, having the legal authority and responsibility for design and construction of the *Project*, has the discretion to accept or reject, in whole or in part, the Project Coordination Team's recommendations except as otherwise required by the provisions of this Agreement, including

Federal Sponsor; the value included in *total project costs* of lands, easements, rights-of-way, *relocations*, and permit costs determined in accordance with Article IV of this Agreement; the costs included in *total project costs* for the *pre-Agreement design work* determined in accordance with Article II.N. of this Agreement; the Government's share of financial obligations for data recovery activities pursuant to Article XVII.E. of this Agreement; the Non-Federal Sponsor's share of financial obligations for data recovery activities pursuant to Article XVII.E. of this Agreement; and the Government's total financial obligations to be incurred for acquisition of lands, easements, or rights-of-way or performance of *relocations* for the *Project* on behalf of the Non-Federal Sponsor and the Non-Federal Sponsor's contribution of funds for such obligations required by Article II.L. of this Agreement.

B. The Government, subject to the availability of funds, shall reimburse the Non-Federal Sponsor, in accordance with the provisions of this paragraph, the amount required pursuant to Article II.D. of this Agreement.

1. Periodically, but not more frequently than once every 30 calendar days, the Non-Federal Sponsor shall provide the Government with a *sufficient invoice* for costs the Non-Federal Sponsor has incurred for the *Project*.

2. Upon receipt of such *sufficient invoice*, the Government shall review the costs identified therein and shall determine: (a) the amount to be included in *total project costs*, subject to the limitations in Article II.C. of this Agreement; (b) the total costs incurred by the parties to date (including the value of lands, easements, rights-of-way, and *relocations*, and the costs of permits determined in accordance with Article IV of this Agreement); (c) each party's share of *total project costs* and the costs of data recovery activities in accordance with Article XVII.E. of this Agreement incurred by the parties to date; (d) the costs incurred by each party to date; (e) the total amount of reimbursements the Government has made to date in accordance with this paragraph; (f) the balance of Federal funds available for the *Project*, as of the date of such review; (g) the amount of reimbursement, if any, due to the Non-Federal Sponsor; and (h) the amount that actually will be paid to the Non-Federal Sponsor (hereinafter the "payment amount") if the amount of reimbursement determined above cannot be fully paid due to an insufficiency of Federal funds or the limitations of the *Section 595 Program Limit* or the *Section 102 Limit*.

3. Within 30 calendar days after receipt of the *sufficient invoice* provided in accordance with paragraph B.1. of this Article (hereinafter the "payment period"), the Government shall: furnish the Non-Federal Sponsor written notice of the determinations made in accordance with paragraph B.2. of this Article; provide an explanation, if necessary, of why the payment amount is less than the amount of reimbursement determined due to the Non-Federal Sponsor; and make a payment to the Non-Federal Sponsor equal to the payment amount.

4. If the payment amount is not paid by the end of the payment period, the designated payment office shall credit to the Non-Federal Sponsor's account an interest penalty on the payment amount, without request from the Non-Federal Sponsor. Unless prescribed by other Federal authority, the interest penalty shall be at the rate established by the Secretary of the

II.L. of this Agreement for acquisition of lands, easements, or rights-of-way or performance of *relocations* for the *Project* on behalf of the Non-Federal Sponsor in accordance with the provisions of this paragraph.

1. Not less than 60 calendar days prior to the scheduled date for the first financial obligation for acquisition of lands, easements, or rights-of-way or performance of *relocations* for the *Project* on behalf of the Non-Federal Sponsor, the Government shall notify the Non-Federal Sponsor in writing of such scheduled date and of the full amount of funds the Government determines to be required from the Non-Federal Sponsor to cover the costs of such work. No later than 30 calendar days prior to the Government incurring any financial obligation for acquisition of lands, easements, or rights-of-way or performance of *relocations* for the *Project* on behalf of the Non-Federal Sponsor, the Non-Federal Sponsor shall provide the Government with the full amount of the funds required to cover the costs of such work by delivering a check payable to "FAO, USAED, Albuquerque District" to the District Engineer, or verifying to the satisfaction of the Government that the Non-Federal Sponsor has deposited the required funds in an escrow or other account acceptable to the Government, with interest accruing to the Non-Federal Sponsor, or by presenting the Government with an irrevocable letter of credit acceptable to the Government for the required funds, or by providing an Electronic Funds Transfer of the required funds in accordance with procedures established by the Government.

2. The Government shall draw from the funds provided by the Non-Federal Sponsor such sums as the Government deems necessary to cover the Government's financial obligations for acquisition of lands, easements, or rights-of-way or performance of *relocations* for the *Project* on behalf of the Non-Federal Sponsor as they are incurred. If at any time the Government determines that the Non-Federal Sponsor must provide additional funds to pay for such work, the Government shall notify the Non-Federal Sponsor in writing of the additional funds required and provide an explanation of why additional funds are required. Within 30 calendar days from receipt of such notice, the Non-Federal Sponsor shall provide the Government with the full amount of the additional required funds through any of the payment mechanisms specified in paragraph D.1. of this Article.

3. At the time the Government conducts the interim or final accounting, as applicable, the Government shall conduct an accounting of the Government's financial obligations incurred for acquisition of lands, easements, or rights-of-way or performance of *relocations* for the *Project* on behalf of the Non-Federal Sponsor and furnish the Non-Federal Sponsor with written notice of the results of such accounting. If outstanding relevant claims and appeals or eminent domain proceedings prevent a final accounting of such work from being conducted in a timely manner, the Government shall conduct an interim accounting of such work and furnish the Non-Federal Sponsor with written notice of the results of such interim accounting. Once all outstanding relevant claims and appeals and eminent domain proceedings are resolved, the Government shall amend the interim accounting to complete the final accounting and furnish the Non-Federal Sponsor with written notice of the results of such final accounting. Such interim or final accounting, as applicable, shall determine the Government's total financial obligations for acquisition of lands, easements, or rights-of-way or performance of *relocations* for the *Project* on behalf of the Non-Federal Sponsor and the Non-Federal Sponsor's

times and in a reasonable manner, upon property that the Non-Federal Sponsor now or hereafter owns or controls for access to the *Project* for the purpose of inspection, if the Government determines an inspection to be necessary. If an inspection shows that the Non-Federal Sponsor for any reason is failing to perform its obligations under this Agreement, the Government shall send a written notice describing the non-performance to the Non-Federal Sponsor.

ARTICLE IX – HOLD AND SAVE

The Non-Federal Sponsor shall hold and save the Government free from all damages arising from design, construction, operation, maintenance, repair, rehabilitation, and replacement of the *Project* and any *betterments*, except for damages due to the fault or negligence of the Government or its contractors.

ARTICLE X - MAINTENANCE OF RECORDS AND AUDIT

A. Not later than 60 calendar days after the effective date of this Agreement, the Government and the Non-Federal Sponsor shall develop procedures for keeping books, records, documents, or other evidence pertaining to costs and expenses incurred pursuant to this Agreement. These procedures shall incorporate, and apply as appropriate, the standards for financial management systems set forth in the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments at 32 C.F.R. Section 33.20. The Government and the Non-Federal Sponsor shall maintain such books, records, documents, or other evidence in accordance with these procedures and for a minimum of three years after completion of the accounting for which such books, records, documents, or other evidence were required. To the extent permitted under applicable Federal laws and regulations, the Government and the Non-Federal Sponsor shall each allow the other to inspect such books, records, documents, or other evidence.

B. In accordance with 32 C.F.R. Section 33.26, the Non-Federal Sponsor is responsible for complying with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507), as implemented by Office of Management and Budget (OMB) Circular No. A-133 and Department of Defense Directive 7600.10. Upon request of the Non-Federal Sponsor and to the extent permitted under applicable Federal laws and regulations, the Government shall provide to the Non-Federal Sponsor and independent auditors any information necessary to enable an audit of the Non-Federal Sponsor's activities under this Agreement. The costs of any non-Federal audits performed in accordance with this paragraph shall be allocated in accordance with the provisions of OMB Circulars A-87 and A-133, and such costs as are allocated to the *Project* shall be included in *total project costs* and shared in accordance with the provisions of this Agreement.

C. In accordance with 31 U.S.C. 7503, the Government may conduct audits in addition to any audit that the Non-Federal Sponsor is required to conduct under the Single Audit Act Amendments of 1996. Any such Government audits shall be conducted in accordance with Government Auditing Standards and the cost principles in OMB Circular No. A-87 and other applicable cost principles and regulations. The costs of Government audits performed in accordance with this paragraph shall be included in *total project costs* and shared in accordance

In the event that the Government suspends future performance under this Agreement in accordance with Article XIV.C. of this Agreement due to failure to reach agreement with the Non-Federal Sponsor on whether to proceed or to terminate this Agreement, or the failure of the Non-Federal Sponsor to provide funds to pay for cleanup and response costs or to otherwise discharge the Non-Federal Sponsor's responsibilities under Article XIV.C. of this Agreement, such suspension shall remain in effect until: 1) the Government and Non-Federal Sponsor reach agreement on how to proceed or to terminate this Agreement; 2) the Non-Federal Sponsor provides funds necessary to pay for cleanup and response costs and otherwise discharges its responsibilities under Article XIV.C. of this Agreement; or 3) the Government terminates this Agreement in accordance with the provisions of Article XIV.C. of this Agreement.

D. If after completion of the design portion of the *Project* the parties mutually agree in writing not to proceed with construction of the *Project*, the parties shall conclude their activities relating to the *Project* and conduct an accounting in accordance with Article VI.C. of this Agreement.

E. In the event that this Agreement is terminated pursuant to this Article or Article II.E. or Article XIV.C. of this Agreement, both parties shall conclude their activities relating to the *Project* and conduct an accounting in accordance with Article VI.C. of this Agreement. The Government may reserve a percentage of total Federal funds made available for the *Project* as a contingency to pay costs of termination. Notwithstanding such termination, the Non-Federal Sponsor may continue with design and construction of the *Project*, at no cost to the Government.

F.
