### **Conchas Lodge Partial Renovation, New Mexico**

### **Scoping Comments Requested by July 2nd, 2023**

The U.S. Army Corps of Engineers, Albuquerque District (Corps) is studying ways to address the current condition of the Conchas Lodge, Conchas Reservoir, New Mexico. We have considered previous comments and developed alternatives that we are presenting on our website and at the public meeting.

We, the Corps, want to hear from people who live, visit, or have connections to Conchas Lake and Lodge. We would like your input on what you think should be done to remedy the current condition of the lodge. Your feedback will help us choose and refine alternatives for how to renovate the lodge.

Comments should be submitted by July 2nd, 2023 for the project team to consider your ideas as we develop alternatives for addressing the future of Conchas Lodge.
