This is an opportunity for all interested parties to provide input on the management of vegetation in different areas at Conchas Lake. We appreciate your comments.

Conchas Lake Vegetation Management Plan Comment Form

1. What issues (for example, natural or cultural resources, social, or economic) are of concern to you regarding the vegetation management plan?

2. Are there other management actions or resource areas not mentioned in the letter that we should consider including in the plan?

3. Are there any management actions listed in the letter that should not be undertaken? If so, why not?

Disclosure of personal identifying information is voluntary when submitting comments. Failure to disclose information will not deprive an individual of their right to submit comments/input.
