Santa Rosa Lake Master Plan Revision & Two Rivers Dam Master Plan Development Comment Form Instructions

45 Day Comment Period

December 18, 2025 through February 1, 2026

The U.S. Army Corps of Engineers is in the process of revising the Santa Rosa Lake Master Plan and developing the Two Rivers Dam Master Plan. The master plan and revision will guide the land and recreational management of the federally owned property that make up the flood storage area for the next 25 years. Management activities include protecting natural and cultural resources, providing public land and water recreation, protecting the public, and ensuring reservoir and dam operations. Pertinent information and a copy of the current land use map can be found on the USACE website below.

To add your comments, ideas, or concerns about the future land and recreational management for Santa Rosa Lake and Two Rivers Dam, please submit comments using any of the following methods by February 1, 2026:

- **Fill out and return the comment form available below or at:**

www.spa.usace.army.mil/Missions/Civil-Works/Recreation/Santa-Rosa-Lake/Master-Plan/

- **Provide comments in an email message or use comment form and send to:**

- **SANTAROSA@USACE.ARMY.MIL**

- **Provide comments in a letter of use the comment form and mail to:**

- **U.S. Army Corps of Engineers
Martina Suazo, Santa Rosa Lake Operations Project Manager
PO Box 345, Santa Rosa, NM 88435-0345**

Thank you for your participation in helping to develop the Master Plans for Santa Rosa Lake and Two Rivers Dam. A QR code is provided below for your convenience. Open the camera app on your phone and focus on the QR code. A link to the Santa Rosa and Two Rivers Dam Master Plan page will appear. Click on the link to be taken directly to the page for more information.
