

## Notice of Availability

The U.S. Army Corps of Engineers (Corps), Albuquerque District, in cooperation with and at the request of the Miami Domestic Water Association (MMDWA), has completed the Draft Environmental Assessment (EA), titled, “**Water System Improvement Project, Community of Miami, Colfax County, NM**”. The purpose of this project is to make improvements to the existing water treatment facility. The improvements include the addition of a new ammonia feed pump skid, a new recirculation pump, a concrete slab, conduit and control panels. See Enclosure for the site plan and details. The MMDWA is the local sponsor. The proposed construction period is four months and is expected to start in November of 2019.

The Draft EA is electronically available for viewing and copying at the Albuquerque District website (under “FONSI/ Environmental Assessments”) at:

<http://www.spa.usace.army.mil>

or a hard copy will be sent upon written request to the following address:

U.S. Army Corps of Engineers  
Albuquerque District  
Environmental Resources Section  
Attn: CESP-PM-LE (Mrs. Danielle Galloway)  
Albuquerque, New Mexico 87109-3435

Paper copies of this document are also available for review at:  
Las Vegas Carnegie Public Library  
500 National Avenue  
Las Vegas, NM 87701

The public review will extend from **October 23, 2019 to November 21, 2019**. Written comments should be sent to the above address and will be accepted until 4:00 PM, November 21, 2019. Alternatively, comments may be sent electronically to [danielle.a.galloway@usace.army.mil](mailto:danielle.a.galloway@usace.army.mil).
