

Notice of Availability

The U.S. Army Corps of Engineers (Corps), Albuquerque District, in cooperation with and at the request of the Turley-Manzanaras Acequia Association, has completed the Draft Environmental Assessment (EA), titled, “**Turley-Manzanaras Acequia Rehabilitation Project Phase 2, San Juan County, NM**”. The purpose of this project is to make improvements to the existing Turley-Manzanaras Acequia (Acequia). The improvements include installing a combination of pipe and concrete lined channel along two section of the Acequia. Rehabilitating the Acequia would improve the efficiency of water delivery to the Acequia members. The proposed construction period is four months and is expected to start in December 2020.

The Draft EA is electronically available for viewing and copying at the Albuquerque District website (under “Environmental Assessments/FONSI”) at:
